# CREATE CHANGE

The Y.™ For a better us.™

## CONNECT TO YOUR CAUSE

Working with generous donors like you, the Y provides everyone the opportunity to be healthy and thrive, to connect with others, and contribute to a better community. Everything the Y does is in service of making individuals and our community better.

We have an extraordinary opportunity to ensure a brighter future for our community, but we must take action today. Your support will make it possible to be...a better us.

- \$50** helps two kids discover themselves through dance, swimming, or youth sports.
- \$100** helps one child gain new skills and confidence at one week of day camp.
- \$250** provides 50 teens the opportunity to have a night of fun in a positive, safe environment.
- \$500** offers one senior adult a free membership so they are able to have a better quality of life.
- \$1000** provides two families the opportunity to belong at the Y, giving them a safe, fun and healthy environment to learn, grow and thrive.

## TOGETHER WE CAN CREATE BRIGHTER FUTURES

We moved back to Marshfield a year ago and I am so thankful for the opportunities the YMCA has given us over the past year. As a single mom working full-time, I knew it would be a huge financial struggle to afford quality child care during the summer and after school. I am so grateful that the YMCA offered financial assistance so my daughter could participate in the Summer Day Camp and After School Care programs and know that she is in a safe environment with friends and wonderful counselors.

The YMCA allows my daughter and I an enjoyable and friendly place to work out and spend time together, since our free time is so limited. I struggled with health issues prior to moving back to Marshfield so being able to work out a few times a week helps me so much both physically and mentally.

Thank you for supporting the YMCA Annual Campaign and allowing us and many others who need it most the chance to belong regardless of the ability to pay.

Tana & Carli

In 2016, the Marshfield YMCA provided financial assistance to more than 3,000 members of our community. Membership dues do not include funding for financial assistance. We rely on generous support from donors like you to make it possible for the Y to give people in need the opportunity to be their best selves.

Donations to the YMCA Annual Campaign provides financial assistance that helps families and children thrive. Your gift will help youth achieve their potential, empower people of all ages to lead healthier lives and strengthen the entire community.

**100% of every dollar donated to the YMCA Annual Campaign is invested in the lives of people who need the Y.**
