24-HOUR ACCESS GUIDELINES

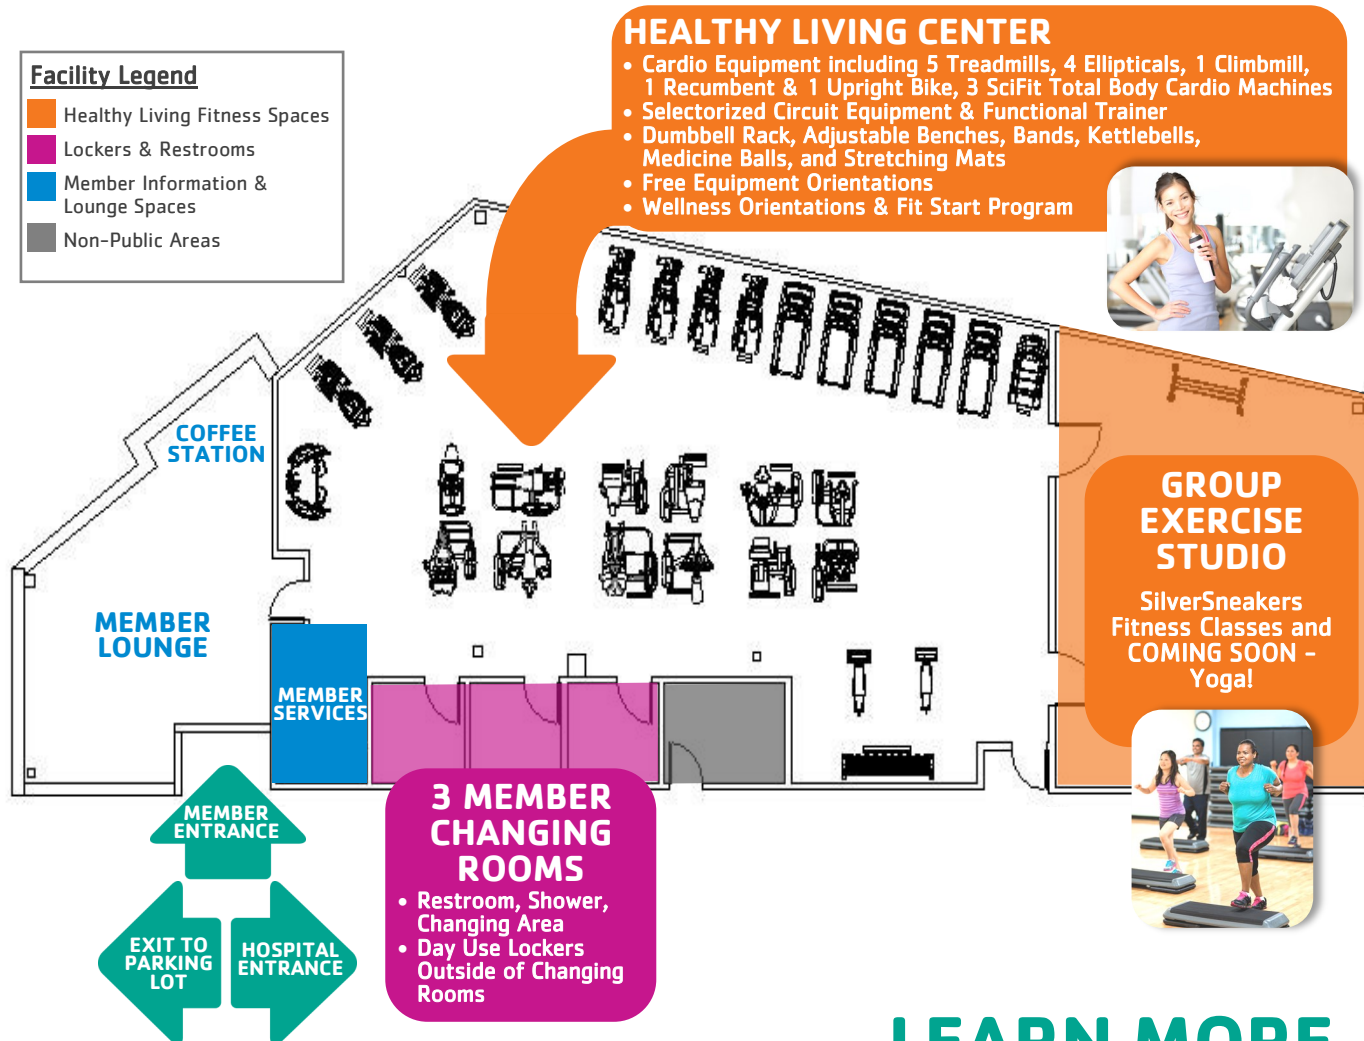

As a Y member with 24-hour access, you may use the Marshfield Clinic Health System YMCA-Neillsville Center at any time. **ONLY YMCA adult and family members, 13 years of age and older, will have access to this YMCA. Members between the age of 13 and 17 must be accompanied by their parent/guardian on the family membership.** The Y will be staffed during advertised business hours. After staffed business hours, no staff will be on duty. Use of the Healthy Living Center is at your own risk.

Your membership key fob is to be used only for your own personal entrance into the facility. Members with 24-hour access cannot grant access to other individuals, even if they are YMCA members and known to you. Members who violate this policy will lose their membership privileges.

The YMCA has 24-hour indoor video surveillance which will be reviewed daily to address any security concerns and monitor who is using our 24-hour facility. Please note that this system does not provide staffing assistance for any emergency that might arise. We highly recommend that you exercise with another member who has 24-hour access during non-staffed hours. In case of emergency, a telephone is located at the Member Services desk and the AED is located on wall near the Member Services desk.
