

CHILD WATCH

Child Watch, the YMCA in-house child care service, is open to children 6 weeks to 6 years of age. Parents using the YMCA facilities may use this service by purchasing a Child Watch punch card from the Welcome Center.

Our staff not only has the experience of working with children in a child-care setting, but has also received CPR/AED, Child Abuse Prevention, Shaken Baby Syndrome and monthly in-service Trainings. Our staff will meet your child's needs by providing a fun and safe environment while you enjoy use of the building. For safety reasons, parents and guardians must remain at the YMCA while their child(ren) is in Child Watch.

Children must arrive fed and diapered. If your child is in the process of being toilet trained, please inform the staff and provide the necessary undergarments.
