

Marshfield Area YMCA Sharks Swim Team

2008-2009 Short Course Meet Questionnaire

Family: _____ Number of swimmers: _____

Please use this list to select which meets you are tentatively planning on attending this season. This will allow us to make adjustments, if necessary, to the meet schedule to keep team expenses under control.

Meet dates, information, and registration forms are available on the swim team website: <http://www.mfldymca.org/swimteam> Contact Coach Aaron if you have any questions about the meets in advance.

YMCA State and YMCA Nationals will be kept on the schedule as long as there are qualifiers, and have therefore been excluded from this list. Please note that this questionnaire is not a substitute for the standard meet entry process! Thank you.
